NOTES

These are the routes that start at the campsite. You walk them at your own risk: check the forecast before you set off, carry water, and there is no shame in turning back.

This is a map, not a step by step itinerary. The numbers on the map are the numbers in the table. It does not tell you which way to go at a junction: follow the park waymarking, and if in doubt go back the way you came.

We have not walked this route with the sheet in hand yet. When in doubt, trust the park waymarking over this paper.
